Subject: Consistency team review - Oil and Natural Gas NSPS reconsideration

Hi Janice,

Is someone on the consistency team available to review the oil and gas NSPS? Ideally, it'd be great to have the review completed by 4/6. Is that turn around time possible? We can extend into the week of 4/9 if needed.

Here's a link to the preamble. Let me know who is available to do the review, and I'll make sure they have permission.

Thanks in advance!
